Teacher Refresher Courses

Enrollment Instructions

Complimentary Professional Development from Pearson

Register for MathXL for School

1. Obtain a free access code from a MathXL for School Teacher Access Kit or by requesting one at: **www.pearsonschool.com/access_request**.
2. Go to www.MathXLforSchool.com and click Register. Read the user license agreement and privacy policy, and click Accept to continue.
3. Follow the on-screen instructions to register. When prompted, enter your access code from step 1.

Choose a Course

4. Go to www.MathXLforSchool.com/support/school/refreshercourses.html to view a list of teacher refresher courses available.
5. Choose a course and note the course name and course ID associated with that course.

Course Name: _____

Course ID: _____

Enroll in your Course

6. After you complete registration, go to www.MathXLforSchool.com and log in using your username and password.
7. On the Welcome page, click on “My Courses” at the top left corner of the screen. Then click “Enroll in Another Instructor’s Course” in the box at the top right corner of the page (under Course Tools).
8. In the boxes provided, enter the course ID for the teacher refresher course you want to enroll in. When the course name appears on-screen, verify this is the course you want to enroll in and click Enroll. On the confirmation page, click OK.

Set up your computer

9. On your course home page, click “Browser Check” in the first announcement on the page. Follow the on-screen instructions to install the necessary components for your course.

You are now ready to work in your MathXL for School teacher refresher course!

Note: you may only be enrolled in one course at a time.
